In just 10 days, the average person on David Sandoval's 10-Day Celebrity Transformation loses 12 pounds at a cost of \$160-\$270. To accurately compare with other programs, cost estimates for programs which include food (including David Sandoval's 10-Day Celebrity Transformation) are allowed to subtract \$12 per day from their cost (\$120 for 10 days). Before Koya and David introduced me to eating clean and green with Purium superfoods, I really wasn't in bathing suit shape. I was living on coffee and junk food. After just 10 days on David's Transformation Program my body began to de-tox and I knew I was on my way! I continued on Purium's maintenance program and only 90 days later I shocked myself when I placed third in my first fitness competition.
