

## Giving out € 50 Gift Cards is easy!

The Platinum sampling program is unlike any other system you've ever seen. You hand out € 50 Gift Cards and then Platinum pays you every time a card is redeemed for a Transformation, or your prospects choice of Platinum products and packages. If you think it's easier to give something away than it is to sell something, this is the program for you!

## Perfect for people looking for more income, not more work.

Just let the products do the selling for you and let the online marketing system do the rest. So, no matter how much or how little business experience you have, you can successfully promote Platinum. If you can hand out a € 50 Gift Card, you can be successful.

## It's a "no strings attached" gift.

Your Gift Card code allows someone to get € 50 off any Platinum product. If your friend wants to get a product under € 50, Platinum will send it out for free (plus the cost of S&H). We know that once people start using our pure, nutrient dense foods, they'll come back for more.

## Let the power of duplication work in your favour.

Any time a Gift Card is redeemed (for more than € 50) money is deposited in your bank account the following month. And when someone redeems a Gift Card and becomes a member, THEY get Gift Cards. That means you are getting paid on other people's efforts and other people's contacts. That's true leverage.
