EXAMPLE OF AVERAGE DIAMOND ANNUAL EARNINGS:

(weekly earnings + monthly earnings)

$\$273 \times 52 \text{ weeks} = \$14,196$

$\$1,512 \times 12 \text{ months} = \$18,144$

Total Average Annual earnings for Diamond = \$32,340

Total Average Monthly earnings for Diamond = \$2,695

Note: The income statistics above are for all active U.S. Purium Brand Partners who were eligible to earn downline commissions in 2021. 98% of the Launch Packs in 2021 were complimentary based upon a Brand Partner purchasing a Featured Product Pack (ranging from \$179 - \$525). An “active Brand Partner” is defined as a Brand Partner who earned at least \$10 of commission in 2021. Brand Partners who were inactive in 2021 accumulated less than \$10 of commission per year. The average annual income for all Brand Partners (active and inactive) in 2021 was \$1,280, and the median annual income for all Active Brand Partners in 2021 was \$258. In 2021, 50.23% of all Brand Partners received no income at all. Note that these figures do not represent a Brand Partner’s profit, as they do not consider expenses incurred by a Brand Partners in operation or promotion of his/her business. The figures above refer to gross income (total income before any expenses are deducted). The expenses a Brand Partner incurs in the operation of his or her Purium business vary widely. Expenses for Brand Partners can be several hundred or thousand dollars annually. You should factor in estimated expenses when projecting potential profits. Such operating expenses could include advertising and promotional expenses, product samples, training, travel, telephone and Internet costs, business equipment, and miscellaneous expenses. The earnings of the Brand Partners in this chart are not necessarily representative of the income, if any, that a Purium Brand Partner can or will earn through his or her participation in the Purium Compensation Plan. These figures should not be considered as guarantees or projections of your actual earnings or profits. Any representation or guarantee of earnings would be misleading. Success with Purium results only from successful sales efforts, which require hard work, diligence, leadership. Your success will depend upon how effectively you exercise these qualities. Please note that many Purium Promotions reward QV (Qualifying Volume) that help to rank advance, but do not include CV (Commissionable Volume) for payout.

Glossary of Terms

A complete listing of terms can be found within the Purium Policies & Procedures.

Active - Active Associates have 50 BV of personal volume in a monthly commission period.

Actively Enrolled (AE) - Personally Enrolled Active Brand Partners and/or Customers with a 50 BV order in the month.

Brand Partner - A person, business entity or non-profit organization that has enrolled into Purium and has the right to earn income.

Business Volume (BV) - The point value assigned to each product that counts toward a Brand Partner's Personal Volume Qualification and used to calculate commissions.

BV Cap - To help encourage personal enrolling and the creation of structure, the ranks of Builder-Executive have a BV Cap. This means that if a Brand Partner has a lot of Group Volume underneath him or her and is not advancing in rank, the volume above the "cap" will go to a more active Brand Partner above. This rewards the people (especially Diamonds and above) who are doing the work and helping to build the team volume. The BV Cap is on Unilevel and Professional volume:

Builder Cap: 2000 GV

Consultant Cap: 5000 GV

Director Cap: 12,000 GV

Executive Cap: 30,000 GV

*Ranks refer to PAID RANKS

Importantly, the volume that is "unlocked" goes to other Brand Partners, not to the company

Compression (aka Dynamic Compression) - Dynamic Compression occurs when a Brand Partner fails to meet the required qualifications for receiving a bonus. The non-qualifying Brand Partner (and associated customer) volume available in their downline will compress to the next qualified person in their upline. The Purium Compensation Plan uses Dynamic Compression to calculate all bonuses (except Pools, FAST Start Matching Bonuses and Lifestyle Bonuses) in an effort to maximize payout to qualified Brand Partners.

Customer Bonus K Clubs - Every \$1000 ordered by your Customers within a calendar month will put you into a new K Club, i.e. \$1000 = 1K Club.

Fifty Percent Rule (50% Rule) - An alternative qualification structure that allows a Crown to use the Group Volume of one leg to count towards 50% of the total Group Volume requirement for that rank. The other 50% of the Group Volume will come from all other legs. Does not apply to ranks below Crown or Royal Crown I and II.

Generation - A Generation is an Active Level of Associate which follows the Enroller Tree. Matching Bonuses use Dynamic Compression on all Generations to maximize payout.

Group Volume (GV) - The Volume in your Organization, from 8 levels deep using compression, including your own Personal Volume. Group volume for Crowns includes 9 levels from Purium Brand Partners and Customers.

Infinity Bonus - There are two categories of Infinity Bonuses - Green Diamond and Blue Diamond. Green Diamonds receive a 2% commission on all BV on their 9th level through an infinite number of levels, blocked by the next Green Diamond. Blue Diamonds receive the same bonus as above PLUS 2% commission on all BV on their 10th level through an infinite number of levels, blocked by the next Blue Diamond.

The Blue Diamond through Royal Crown II Infinity Bonuses work in a similar way to the Green Diamond Infinity Bonus. They start on the 10th and pay 2% down an infinite number of levels until blocked by the next Blue Diamond. Importantly, the Infinity Bonuses can be additive, meaning that if a Blue or Black Diamond does not have a Green Diamond below his/her 10th Level, then the Blue or Black Diamond will receive BOTH 2% Infinity Bonuses (total of 4%) on his/her entire organization below the 10th Level.

Minimum Payment Amount - The Minimum Payment Amount for commissions is \$10. Commission Earnings are accumulated and held until the minimum payout amount is reached.

Personal Volume (PV) - The total Business Volume of products purchased by a Brand Partner.

Smart Order - Recurring order by a Customer or Brand Partner that will be automatically shipped on a chosen date from the 1st-21st of the month only if no order has been placed prior to the Smart Ship date. Must have a 50 BV minimum smart order on file to qualify for Fast Start Bonuses/Match and other promotions.

Qualifying Rank - Based on the previous month's commission statement "paid as" rank.

Qualifying Volume - Volume from Enrollment Packs used for rank advancement purposes only.

Ultimate Business Transformation (UBT) - A special promo that gives extra Group Qualifying Value (GQV) Points. Enroller and Enrollee must have a Smart Order with 50BV minimum.

Unilevel Bonus - A monthly bonus that pays on your Group Volume on all Brand Partners up to 8 levels compressed in your Unilevel Placement Tree, based on Paid Rank. The Monthly Unilevel bonus does not include volume that was paid out as a part of the weekly First Order Bonus.
